Army Order 81 of 1917 (Army Order III of 10th February, 1917), it is notified that an officer ceasing to draw pay, pension, or retired pay from Army Funds before his subscription is complete, may complete the subscription by cash payments payable on the dates on which the deduction from his pay, pension, or retired pay, if issuable, would have been made. An officer may, in the foregoing circumstances, pay all the outstanding instalments at once, but he will derive no special advantage by so doing.</p> <p>Payment for these cash subscriptions will be made to the War Office, Accounts 5 (by cheque payable to the Assistant Financial Secretary).  in line 4 of paragraph 71, after "children" insert
 "over the age of 14".

II.—Cessation of Payment.

 so that the reason for recall may be noted by the post-
 master.

5. At the end of sub-paragraph (iii) of paragraph 19,

- 46
1734 8. It has been decided that where recovery of
 advances by a local War Pensions Committee is effected
 by means of stoppages from weekly payments, the
 paymaster shall refund the whole sum due to the
 Committee as soon as the stoppages begin, instead of
 holding over repayment until the whole sum has been
 recovered, as hitherto laid down in paragraph 144 (g).

A.O. 109

continued. 9. It has also been decided that the rule regarding retention of arrears for 7 days after the date on which the weekly payments of separation allowance commence, shall only apply in cases where advances have been reported before that date. When no advance has been made since the soldier's enlistment, it is unlikely that an advance will be made during the last few days before the completion of the claim; if, however, Army Form W. 3020 is received after arrears have been paid, recovery will, of course, be effected from weekly payments.

10. The following amendments will be made in paragraph 144—

In line 1 of sub-paragraph (d), for "Payment" substitute—

A.O. 109.
1917. "In cases where an advance has been reported to the paymaster, payment".

In line 3 of sub-paragraph (g), for "when the whole sum has been recovered" substitute—

A.O. 109.
1917. "when the sum has been noted for recovery, and an amended book of allowance forms issued".

In sub-paragraph (h), delete from "refund" (in line 4) to the end of the sub-paragraph and substitute—

A.O. 109.
1917. "note the unrecovered amount for inclusion in the list of such losses, to be rendered quarterly to the War Office."

(Further instructions will shortly be issued as to the procedure in applying for these amounts to be written off.)

11. In paragraph 121, line 2, before "payment" insert "in cases where an advance has been reported"

Erratum.—In paragraph 78, line 2 of sub-paragraph (e), for "(see page 114)" read "(see paragraph 114)".

Army Orders.—April, 1917.

INSTRUCTIONS, REGULATIONS, &c.

A.O. 120. **Victoria Cross**—1. His Majesty the King has been
1917. graciously pleased to approve of the award of the 012
Victoria Cross to the undermentioned officer and non- 2653
commissioned officer :—

Captain Henry William Murray, D.S.O., Australian
Infantry.

For most conspicuous bravery when in command of the right flank company in attack. He led his company to the assault with great skill and courage, and the position was quickly captured. Fighting of a very severe nature followed, and three heavy counter-attacks were beaten back, these successes being due to Captain Murray's wonderful work.

Throughout the night his company suffered heavy casualties through concentrated enemy shell fire, and on one occasion gave ground for a short way. This gallant officer rallied his command and saved the situation by sheer valour.

He made his presence felt throughout the line, encouraging his men, heading bombing parties, leading bayonet charges, and carrying wounded to places of safety.

His magnificent example inspired his men throughout.

No. 9887 Serjeant Edward John Mott, Border
Regiment.

For most conspicuous gallantry and initiative when, in an attack, the company to which he belonged was held up at a strong point by machine-gun fire.

Although severely wounded in the eye, Serjeant Mott made a rush for the gun, and after a fierce struggle seized the gunner and took him prisoner, capturing the gun.

It was due to the dash and initiative of this non-commissioned officer that the left flank attack succeeded.

The foregoing appeared in the London Gazette, dated 10th March, 1917.

2. His Majesty the King has been graciously pleased
to approve of the award of the Victoria Cross to the 0137
undermentioned officer and non-commissioned officers 3441

most conspicuous bravery displayed:— 1917

Captain (temporary Major) Cuthbert Bromley *continued.*
(since drowned).

No. 1506 Serjeant Frank Edward Stubbs (since
died of wounds).

No. 2609 Corporal (now Serjeant) John Grimshaw.

On the 25th April, 1915, headquarters and three companies of the 1st Bn. Lancashire Fusiliers in effecting a landing on the Gallipoli Peninsula to the west of Cape Helles were met by very deadly fire from hidden machine guns, which caused a great number of casualties. The survivors, however, rushed up to and cut the wire entanglements, notwithstanding the terrific fire from the enemy, and after overcoming supreme difficulties the cliffs were gained and the position maintained.

Amongst the many very gallant officers and men engaged in this most hazardous undertaking, Captain Bromley, Serjeant Stubbs, and Corporal Grimshaw have been selected by their comrades as having performed the most signal acts of bravery and devotion to duty.

The above awards of the Victoria Cross are to be read in conjunction with those conferred on the under-mentioned for most conspicuous bravery on the same occasion:—

Captain Richard Raymond Willis, 1st Bn. Lancashire Fusiliers.

No. 1293 Serjeant Alfred Richards, 1st Bn. Lancashire Fusiliers.

to Losses, &c., connected with the Overissue of 1917.
Separation Allowance.—1. With reference to Army
Order 52 of 1915, it has been decided to modify the
procedure for writing-off overissues of separation allow-
ance (including allotments of pay) so as to relieve
General Officers Commanding of the task of investiga-
ting over payments which are trivial in amount, and
which are not due to serious error or negligence on the
part of any individual.

2. General instructions as to the method of dealing
with recoveries, &c., in respect of overpayments have
been issued to Regimental Paymasters by War Office

the amount does not exceed 30£., and the Local
Auditor is satisfied that the degree of error or
negligence on the part of any individual
officer or clerk is not such as to call for investi-
gation by the General Officer Commanding, or
the Army Council, he will (as representing the
War Office) authorize the charge against the
public.
- (ii) Territorial Force Associations will report the case
on Army Form W 3576 to the Local Auditor,
who will deal with it as above. When the
Local Auditor authorizes an overpayment by a
